

## Stay confident with Nivea for Men: Silver Protect Deodorant

Nivea Silver Protect Deodorant for Men has the perfect ingredients for an effective deodorant in hot and humid Malaysia – silver, or chemically known as argentum. Silver has long been used for its anti-bacterial properties. In this new deodorant, silver helps eliminate underarm odour caused by the accumulation of bacteria. All items in this range have been dermatologically tested and there are different application methods to suit every need.

Roll-On: RM5.20 (25ml), RM9.60 (50ml)

Stick: RM12.90 (40ml)
